A SPECIAL SERVICE FOR CONCERNED PARENTS

Caring for young children often brings to mind questions such as: "Is it normal for kids to act this way?" or "Is there a better way to handle this?"

TOTLINE is now available to answer these questions.

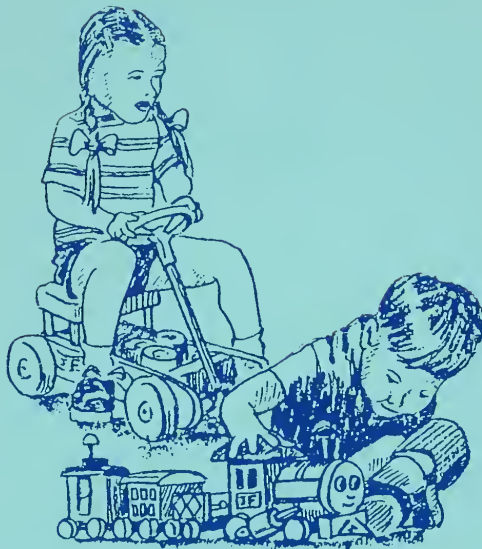

TOTLINE can put you in touch with a specialist in child development and parenting. The TOTLINE specialist will listen, discuss, answer questions and make suggestions.

Your call to TOTLINE will be returned within 1 to 3 days.

Please sort out your concerns on the checklist and give us a call at 728-6550, or 1-800-346-ABCD (2223), Monday through Friday, 8:00 a.m. to 5:00 p.m.
